Foreword
Reflections . . .

Quite often in life, people fail to remember the special moments that occurred during their years of high school. As a result, they forget some of the best years of their lives. The 1985 TIGER TRACKS STAFF, however, brings to your attention the highlights of 1985 — a very special year.

Many hours of hard work and dedication by the students and staff at CHS went together to make this year successful, meaningful, and, most of all, enjoyable. To you, the TIGER TRACKS STAFF presents reflections of treasured moments at Childersburg High School in 1984-1985.

Sharon,
It is really hard to believe that I am finally getting out of this school! The only thing that I'm going to miss is all of my friends and you are of them. I hope you won't forget me next year cause I won't forget you. Maybe you can come up and see me next year in Birmingham if Britt will let you. I really wish you were graduating with us. We had alot of fun in Spanish this year, huh? (Even though I hated it!) So, next year when I'm gone keep everybody straight and be good! (Don't forget to write)

Love,
Kelly

PS. Best of luck with Britt.

Well, I can't believe we made it this far but here we are about to become Seniors! You are a very nice person and a great friend. We have had some wild conversations in study hall. Just think one more school year and we will be out of this place. After we get out of this place you better not forget about me! When you and Keith get married and have a house full of kids I'll send you nerve pills because you will need them. I'll like Keith to keep you straight and to be good to you! I wish you all the best life has to offer because you certainly deserve it!
